
Chrysler Radio Code Calculator !NEW!

The car radio code is found on many Chrysler models on a small white sticker inside the glove box. The unlock code will be labeled "Anti-theft radio code". The code must be entered when the ignition is in the START position. If the code is not entered, the message "POWER OFF" will appear on the display. 1. Turn on the ignition. 2. Check that the indicator device turns on. 3. Press the CITY M/H button. 4. Press the DATAGRAPH button for 3 seconds. 5. Press the "CODE" button. 6. Press the "CODE" button again. 7. Enter the required 4-digit autocode. 8. Press the DATAGRAPH button for 3 seconds. 9. Press the "CODE" button. 10. Enter a new autocode. 11.
