DRS Technologies Orca3D V1.4 (x64) 20 Orca3D 1.4.20 Mía Colautti DEMO FILE .Dunedin and Rutherford's lawn tennis club will be transformed into a star-studded venue for the first-ever South Island Lawn Tennis Championship, in partnership with tennis clubs throughout the country. The Dunedin Lawn Tennis Club members raced to help out where they could - painting inside and outside the court to help clear the roof when the Northland weather turned. "We got on it and got paint down and did a couple of jobs on the court itself, including putting in the court, getting in the court and starting to sand," club president Elton Hammond said. The Dunedin Lawn Tennis Club raised \$120 to create the dais for the event, along with paint and plasters. "It turned out really well. We had quite a few jobs done and a lot of work put in by a lot of guys." Dunedin club members had also worked on a fence to try to stop players leaving the courts and damaging the lawn. "We put a fence in - we'll probably go for a double fence - between the grass and the sidewalk. We'll put some 'No Trespassing' signs up on them." Rutherford club president Graham Brown said most of the renovation had been done by the club's five or six full-time workers. "It's been quite an enjoyable activity," he said. "We're ready for it... We're a little bit nervous but we're looking
